

MISSION VIEJO CHRISTIAN SCHOOL

February 28, 2017

Pay \$1 to wear your **JEANS** to school and help educate the Mercy Home Children!!

Mercy Homes Ministry

The mission is to minister to the needs of abused, abandoned and orphaned children by providing children homes where they can be part of a loving family environment with up to ten children under spiritual parents who will raise them as their own. The goal is to raise self-supporting, productive members of society who can affect positive change in their communities. Currently, there are 178 children in Mercy Homes in eight different countries: Mexico, Kenya, Peru, Burma, Pakistan, India, Ecuador, and Nepal. One of our biggest needs is support to cover the costs to educate these children. The proceeds from Jeans Day will help with these costs.

MVCC sponsored mission trips to Mercy Homes Tijuana take place 3 times a year. If interested, please contact Kim at Kim4MercyHomes@aol.com. For more information, please visit our website at MercyHomes.org.

Thank you for supporting the Mercy Homes Children!
